

## Home Improvements

Rainbow Property Care provides a first class repairs and renovations service. When you are only here a couple of times a year it is often difficult to keep on top of routine maintenance, our skilled team can tackle all repairs from a small toilet leak to a full redesign your kitchen or bathroom!

Outdoor living is one of the greatest assets of having a holiday home your porch, patio, or deck is a great place to spend time relaxing. The benefits of increasing your patio area, adding a pergola or building a decking area could add value and charm to your property and will give hours of pleasure. You may even be able to open up a roof terrace to give you that additional space for sunbathing or relaxing in the warm evenings

In Turkey the high temperatures, sun, wind and sometimes damp weather can all take their toll on your property. Our maintenance team will undertake high quality repairs and decoration to your own colour schemes and specification leaving your home neat and tidy once the job is complete.

Why use your precious holiday time doing mundane decorating and renovations let us at Rainbow Property Care take the worry and stress away. Leaving you to relax and enjoy owning your home in the sun.
